## **Ar. Chandrakant Bhosale**

### **Founder & Principal Architect – NandaJay Architects**

We at **NandaJay Architects**, led by our Principal Architect **Chandrakant Jayasing Bhosale**, are extremely pleased with the exceptional website designed and developed by **Softorate**.

From the very beginning, the Softorate team demonstrated a deep understanding of our architectural philosophy and translated it into a clean, modern, and highly professional digital presence. They captured the essence of our design approach with a website that is not only visually striking but also user-friendly and technically robust.

Their attention to detail, creativity, and commitment to delivering on time made the entire process smooth and efficient. The website truly reflects our firm's vision, values, and portfolio in a way that resonates with our clients.

We highly recommend Softorate to anyone looking for innovative and reliable web design services.

**Founder & C.E.O. – Sushant More ( TECHNOPATH )**

We at TechnoPath.in are extremely pleased with the outstanding website designed and developed by Softorate. From the initial consultation to the final launch, their team demonstrated exceptional creativity, technical expertise, and attention to detail.

They perfectly understood our vision and transformed it into a modern, user-friendly, and performance-driven website that truly represents our brand. The design is clean, professional, and optimized for both user experience and business growth.

What impressed us most was their commitment to quality, timely delivery, and proactive communication throughout the project. Their strategic approach and innovative ideas added immense value beyond just design.

I highly recommend Softorate to anyone looking for a reliable and talented web design partner.

— Sushant More  
Founder & CEO, TechnoPath.in

### Founder – TATYA APP

We at Tatya App are extremely pleased with the outstanding app development services provided by Softorate. From concept to deployment, their team demonstrated strong technical expertise, creativity, and a clear understanding of our requirements. They transformed our vision into a smooth, user-friendly, and high-performing mobile application that truly represents our brand. Their attention to detail, timely communication, and commitment to quality made the entire development process seamless. The app runs efficiently, offers an excellent user experience, and has helped us better engage with our users. We highly recommend Softorate to anyone looking for reliable and innovative app development solutions.

Tatya App

We at **Ujjwal Vimany** are delighted to share our experience working with Softorate for the design and development of our website.

From the very beginning, their team understood our vision and translated it into a clean, modern, and highly functional website that truly represents our brand. Their creative approach, technical expertise, and attention to detail ensured that every aspect of the site was thoughtfully crafted.

The process was smooth and transparent, with timely communication and consistent support at every stage. The final website not only looks professional but also offers a seamless user experience across all devices, helping us better connect with our audience.

We sincerely appreciate the dedication and professionalism shown by Softorate and would highly recommend their services to anyone looking for high-quality web design and development solutions.

We at **Krushi Drone Shala** are extremely pleased with the outstanding website designed and developed by Softorate. From the initial consultation to the final launch, their team demonstrated professionalism, creativity, and a deep understanding of our vision.

As an organization dedicated to agricultural drone training and innovation, it was important for us to have a website that clearly communicates our mission, courses, and services. Softorate delivered a modern, user-friendly, and visually impressive platform that truly represents Krushidrone Shala's identity and values.

Their attention to detail, responsiveness, and technical expertise made the entire process smooth and efficient. The website not only looks excellent but also performs seamlessly across devices, helping us connect better with students, farmers, and industry partners.

We highly recommend Softorate to any organization looking for reliable and innovative web design services.

We at **Drone Bajar** are extremely satisfied with the website designed and developed by Softorate.

Their team clearly understood our business requirements and delivered a modern, visually appealing, and highly functional website that perfectly represents our brand in the drone industry. The layout, product presentation, and overall user experience were thoughtfully designed to ensure easy navigation for our customers.

Throughout the project, their professionalism, timely communication, and technical expertise stood out. The website is fast, responsive, and works seamlessly across all devices, significantly strengthening our online presence.

We truly appreciate the dedication and quality work delivered by Softorate and highly recommend them for website design and development services.

# Café Owners

## **Pranav Kotak**

### **Founder, AUR Coffee – Pune**

*"When we started AUR Coffee, our focus was always on creating a minimal, experience-driven café space. We wanted our website to reflect that same warmth and design philosophy. Softorate truly understood our vision and translated it beautifully into a digital experience.*

*From structuring our brand story to building a clean, high-performance website, their team handled everything seamlessly. The process was smooth, timelines were respected, and the final result felt authentically 'AUR'. Going live felt like opening another outlet — this time online.*

*If you're a café founder looking to establish a strong digital presence without the usual tech headaches, Softorate is the right team to trust."*

— **Pranav Kotak, Founder – AUR Coffee, Pune**

## **Pravishta Nadella**

### **Co-Founder, Katha Coffee – Hyderabad**

*"At Katha Coffee, storytelling is at the heart of our brand. We wanted our website to narrate our journey, our sourcing philosophy, and the experience we create for our community. Softorate didn't just build us a website — they helped us bring our story to life digitally.*

*Their clarity in communication, attention to design details, and understanding of the F&B space made the entire journey effortless. They ensured our website was fast, responsive, and optimized so customers could easily discover us online.*

*Launching our website with Softorate was a big milestone for Katha Coffee. It has strengthened our credibility and helped us reach a wider audience beyond Hyderabad."*

**— Pravishta Nadella, Co-Founder – Katha Coffee, Hyderabad**

## Taha Khan

### **Owner, Le Flamington – Pune**

*"As a dessert and café brand, visual appeal is everything for us. We needed a website that looked as premium as our products and made online discovery simple for our customers. Softorate exceeded our expectations.*

*They understood our brand personality immediately and created a website that feels elegant, modern, and easy to navigate. From design to deployment, everything was handled professionally and efficiently.*

*Since going live, our brand presence has become much stronger. Customers now find us easily online, and it has helped build more trust in the brand. I highly recommend Softorate to any F&B founder looking to establish a strong digital foundation."*

— Taha Khan, Owner – Le Flamington, Pune

# Law Firms

## **Mr. Jayesh Badnakhe**

### **Partner – Solomon & Co., Pune**

*"In the legal profession, credibility and clarity are everything. When we decided to strengthen our digital presence, we wanted a website that reflected our legacy, professionalism, and depth of expertise. Softorate understood these expectations perfectly.*

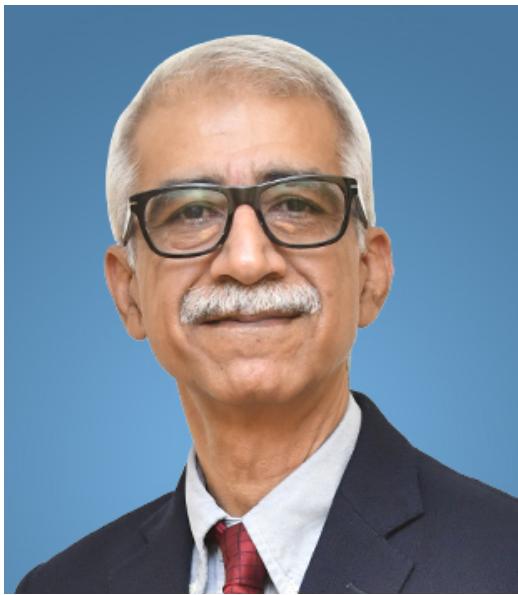

*Their team ensured that our website was structured with precision — clear practice areas, detailed team profiles, and an interface that communicates trust and authority. They handled the process with confidentiality and professionalism, which is crucial in our line of work.*

*The transition to a stronger online presence has significantly improved how clients and corporate stakeholders perceive and reach us. Softorate delivered exactly what a law firm requires — sophistication, security, and simplicity."*

**— Mr. Jayesh Badnakhe**

Partner, Solomon & Co., Pune

## Amit Dhingra

### **Partner – DUA Associates**

*"For a law firm, a website is not just a digital brochure — it is a reflection of its standards and reputation. Softorate approached our project with strategic insight and a clear understanding of how legal services should be presented online.*

*They ensured the website was structured in a way that communicates our areas of practice, experience, and thought leadership effectively. The design remains professional and understated, exactly as a reputed law firm should be represented.*

*Their team was responsive, detail-oriented, and efficient throughout the process. Going live with our updated digital presence has strengthened our visibility and accessibility for clients across jurisdictions."*

**— Amit Dhingra**

Partner, DUA Associates

## **Rishabh Gandhi**

### **Founder – RGAA (Rishabh Gandhi & Associates), Pune**

*"As a growing law firm, it was important for us to build a digital identity that reflects our modern approach while maintaining the integrity of the profession. Softorate helped us translate that vision into a strong, well-structured website.*

*From content alignment to clean, professional design, they ensured every element projected credibility and trust. The process was seamless, and the team was proactive in guiding us through technical aspects in a clear and efficient manner.*

*Since launching the website, we have seen improved inquiries and a stronger brand presence in Pune's legal landscape. I would highly recommend Softorate to firms looking to establish or upgrade their online presence."*

— **Rishabh Gandhi**

Founder, RGAA – Pune

# Real Estate

## **Leena Loungani**

### **Founder & Managing Director – Qubic Properties**

*"In the real estate industry, credibility and presentation play a crucial role in building client trust. When we decided to strengthen our online presence, we needed a website that reflected our professionalism, portfolio strength, and client-first approach. Softorate delivered exactly that.*

*Their team understood the nuances of real estate marketing — from showcasing projects clearly to structuring information in a way that builds confidence among buyers and investors. The design is clean, modern, and aligned with our brand positioning.*

*Since going live, our digital presence has become much stronger, and clients now find it easier to explore our offerings. Softorate made the entire journey smooth and efficient."*

— **Leena Loungani**  
Founder & Managing Director, Qubic Properties

## **Mr. Deepak Panjabi**

### **Founder & Director – Shevi Group**

*"For a real estate brand, the website is often the first interaction a potential buyer has with the company. We wanted that first impression to be impactful, structured, and trustworthy. Softorate helped us achieve exactly that."*

*"Their team carefully designed our website to showcase our projects, values, and track record with clarity and elegance. They were professional in their execution and attentive to every detail — from layout to performance."*

*"The launch of our website has significantly enhanced our brand image and improved inbound inquiries. I would confidently recommend Softorate to any real estate company looking to build a strong digital foundation."*

**— Mr. Deepak Panjabi**

Founder & Director, Shevi Group

## **Mr. Sachin Garg**

### **Chairman & Founder – Saheel Properties**

*"Real estate today demands not just physical presence but also a strong digital footprint. We wanted a website that represents our legacy, scale, and commitment to quality. Softorate understood our vision and translated it into a powerful online platform.*

*The website is structured to communicate our journey, completed projects, and ongoing developments in a seamless manner. Their team ensured the platform is user-friendly, visually refined, and aligned with our brand ethos.*

*Since the website launch, our brand visibility and credibility have strengthened significantly. Softorate proved to be a reliable and strategic digital partner."*

— **Mr. Sachin Garg**
